50/50	\$ 16.00	
Debits:	0	
Ending Balance:		\$3260.94

MINUTES

JULY 2018

Meeting called to order by Kenny KB9KC at 7:00PM with 14 members present.

Secretary Report: Meeting last month was cancelled no minutes 1 correction -The info for building an R6 antenna should not be listed with W9RY's info as seen in The Hamster Hut News.

Treasurer Report: Submitted as printed in The SARA Slip. Motion to accept was made by KD9FRQ Ed and seconded by W9RY Tom. Motion passed

Repeater Committee Report: KB9JNO informed everyone that parts and service information is no longer available from Hamtronics. His e-mails haven't gotten through nor does the phone number work anymore. Leroy advised that it would be wise to not overwork/overheat your club repeater since parts and service are no longer available. The linked system runs Hamtronics repeaters as well as many others in the area.

Skywarn Report: KB9KC Kenny commented that the severe weather we have experienced lately seemed to build up very quickly. N9VKO indicated that he called in reports from Perry County to the Paducah Weather. Tom W9RY commented about the number of check-ins to the Skywarn Net versus the low number on air and active for weather spotting during severe weather events.

Old Business: Gerry WG9Z commented that communications went well for the Big Muddy Air Race but the race was cut short for many by bad weather in the Sparta and Chester area. Gerry reported that only 13 of 30 aircraft completed the race course since many aborted at Sparta.

(Continued on page 5)

New Business: N9VKO Bob relayed word from AA9FS Fred that there had been a complaint about some of the ads in the SARA Slip. It was stated to him that the ad for tower work might be a violation of our non-profit status. There was an angry response to the complaint from members present. An offer was made to return any dues paid by this person and remove them from the Association. Motion was made by K9LED Chris and seconded by WG9Z to keep the ads as is. The vote to make no changes was unanimous. KD9FRQ Ed commented that we now have a club member who is an attorney and he will check with them to make sure it is ok.

KB9KC Kenny questioned those present as whether or not a club picnic should be held this year in September or October. It was suggested to have it at an dining facility so that weather would not be a factor. Several places were suggested and The Golden Corral was chosen because of the wide variety of food and available room, plenty of parking and no one would need to bring anything. Motion made by Ed KD9FRQ and seconded by Mike KB9GHW. Motion passed.

Bruce WA9APQ mentioned that communications support has been requested for a 30 hr. race based from Camp Ondessonk that will take place August 25 & 26. information is available on the internet - Shawnee Hills 100 mile races. Bruce also mentioned that 30 amp power pole connectors are available at PLP Battery Supply.

W9RY Tom did show and tell with an affordable Rasberry Pie to set up and run on the state wide 145.61Mhz ARES network.

Motion to adjourn made by WG9Z and seconded KB9JNO.

50/50 winner WD9ARU Tom received a payout of \$8.00 of \$16.00 sold and donated his winnings back to SARA

Announcements

A Note From The Editor

This newsletter "News From My Hamster Hut" is a production/publication of my own making. It is not affiliated in any way, shape or form with any club or organization. I gather the information, pictures, etc. to help keep those in the ham community informed of upcoming events and to add a little interest to the hobby. I receive no monetary compensation or any trade out of services for any advertisement that appears in this publication. Any ham that owns a business is welcome to put a small ad or liner in this newsletter in hopes that it will help other hams support the efforts of their fellow hams. I do reserve the right to include or exclude any announcement or advertisement at my own discretion. And finally, I am not a non-profit organization. I am simply one individual that is homebound and publish this newsletter simply for what it is, a labor of love and a way to keep my brain active and my friends informed.

God bless each of you, Carolyn Cremeens, KD9BUY Publisher/Editor
