MINUTES

January 3rd 2020

Meeting called to order by Kenny KB9KC at 7:00PM with introductions by 19 members present.

Secretary Report: No meeting in December - Christmas party

Treasurer's Report: Richard KC9OLJ gave a report to those present and it was approved.

Repeater Committee Report: Leroy KB9JNO stated that work will continue to eliminate the chirping noise that occurs in the evening hours on Sunday when net activity is taking place on the 147.090 Sunday evening SARA Net. Weather conditions will be a factor as to when the work can continue.

Skywarn Report: Kenny KB9KC reminded everyone that the training will be starting up again soon so everyone is ready for spring storm season.

Old Business : None

New Business: Tom W9RY and Bruce WA9APQ spoke about the Winter Heat 2020 VHF/UHF contest on simplex frequencies and encouraged everyone to participate as it is an excellent way to test your own station's capabilities to make contacts without the support of a repeater with will most likely be the case of a real emergency.

Bruce WA9APQ mentioned that there will be another ARES exercise coming up in April and asked for everyone who can to please make plans to participate in it.

Rick KD4CAE said that the V.A. Hospital has a new antenna for the station at the hospital and asked that anyone wishing to help emergency exercises and communications to let him know.

The Board of Directors for 2020 was selected and approved.

Kenny KB9KC told all present that donations would be welcome to help pay for the ARRL liability insurance recently purchased to cover all SARA Club activities and some donations were given to help cover that cost. More donations will always be welcome.

Fred AA9FS will be e-mailing The SARA constitution and by-laws to be reviewed at later meeting

Motion to Adjourn made by Scott KC9AJR and seconded by Leroy KB9JNO - meeting adjourned

50/50 - Winner was Steve WA9SWW - total of \$34.00 with a payout of \$17.00 - Steve donated \$17.00 back

These minutes were made from rough notes since my recorder which I thought was on, was not on at the meeting. Corrections can be made at the next

meeting if needed. Bob N9VKO

News From My Hamster Hut by Carolyn, KD9BUY

A special message from Clay County Area Amateur Radio Club

Hello everyone this is Ryan, KC9OZA, with the Clay County Area Amateur Radio Club.

I would like to inform everyone that we will not be having our annual April fool's hamfest this year. Unfortunately the state has been cracking down on several of these events that they call special events. As such much paperwork and legal things would have to be filed for both us as event holders as well as those who would be selling. So we voted to just cancel instead of having to go through such headaches. We would like to thank all those who have supported this event both for many years as both attendees as well as vendors. Thank you again and we are sorry for any inconvenience this may cause. Thank you again for supporting the event. Everyone take care and 73s

I do reserve the right to include or exclude any announcement or advertisement at my own discretion.

And finally, I am not a non-profit organization. I am simply one individual that is homebound and publish this newsletter simply for what it is, a labor of love and a way to keep my brain active and my friends informed.

God bless each of you,
