SARA Meeting Minutes October 3rd 2025

Meeting called to order by Kenny KB9KC at 7:00PM with 15 members and 1 guest present.

Secretary Report: Motion made by Thom W9RY and seconded by Red KC9YKM to accept the Secretary's report as printed in The SARA Slip. Motion passed.

Treasurer's Report: Richard KC9OLJ reported a balance of \$3444.19 as of meeting time Motion made by Leroy KB9JNO and seconded by Thom W9RY to accept the Treasurer's report as printed in the SARA Slip. Motion passed

Repeater Committee Report: Leroy KB9JNO said that the 147.090 repeater has been off air for over a week. Bruce WA9APQ has been to the repeater site and reported that the back-up batteries were low on charge due to charger failure. Bruce brought back the repeater for testing and discovered it would not transmit. The cause is unknown as of meeting time and there appeared to be antenna damage possibly caused by some other antenna work on the tower. The spare/back-up will be put into service while repairs are made.

Skywarn Report: Kenny KB9KC commented about the dry weather we have been having recently but could quickly change as the fall season continues.

Old Business: Bob N9VKO spoke about the Pinckneyville Mardi Gras night time parade that will be on Saturday October 25. He mentioned most all volunteers that make up the communications support team have done so once again with all stations covered for the evening with exception on KC9AJR and Kc9FDC not being heard from at meeting time.

Kenny KB9KC reminded everyone about the upcoming Christmas Party to be held in Pinckneyville at The Grecian Steakhouse at 7:00 PM on Friday December 5th. The event this year will be in the larger south dining room that can seat 70+ people

New Business Kenny KB9KC opened up nominations for club officers for the new year coming up. A motion was made by Fred AA9FS to nominate the existing slate of officers to serve another year. The motion was seconded by Ed KD9FRQ. Motion passed

ARRL: Tom W9RY reminded everyone to make sure you send a letter to congressional representatives and senators to ask them to

support legislation that will allow licensed Ham Radio Operators to put up antennas in areas where HOA rules don't allow antennas outside the home. Thom stated that you should go ARRL and then find the link. Then type in your call sign and the blanks will be filled in so that it can be delivered in printed form to representatives and senators by ARRL.

Kenny KB9KC did a live demonstration of his ANKER emergency power back system. It has a battery of newer safer materials. It also it is an inverter and can be charged several ways.
